

ADVENTURES OF NICOLE

Beyond the beaten path travel blog

Hey there!

I'm Nicole. I have a thing for off the beaten path and usual destinations. I've been traveling the world, mostly solo, for about the last decade.

I started this blog in February 2015 with the intent of sharing useful tips and hilarious stories. My goal back then, and still to this day is to encourage travelers to diversify the destinations they choose to visit by opting for less popular locales, in addition to providing valuable information to help my readers get the most out of their adventures while inspiring them to visit these fascinating areas more mindfully.
